UO Note

**Sub:** Ranking of Districts and officials for various schemes based on Key Performance Indices (KPIs) through Mobile App.

**Ref:** Directions given by Hon'ble Chief Minister during Collectors' Conference.

A Mobile Application was launched during the Collectors' Conference, wherein Districts were ranked for various schemes and programmes based on weighted analysis of Key Performance Indices. In accordance with the directions given by Hon'ble Chief Minister during the conference following two actions are to be taken by all the departments -

1. In the present Mobile App all the important programmes and schemes for District wise ranking are to be on boarded. For the purpose -
  - a. Important programmes/schemes are to be identified.
  - b. Key parameters for ranking are to be decided.
  - c. Data regarding the above has to be systemically linked to the App.
  - d. Relevant information to commence the activity be provided in format at Annexure 'A'.
2. On the lines of District Rankings, performance of officers at cutting edge level (associated with the identified programmes/schemes) is to be ranked in order to facilitate officials and employees with outstanding performance. Some of the parameters for assessment might be different from those used in ranking of the district. The information may be furnished in format at Annexure 'B'.

The Updated Mobile App is to be made operational by 15<sup>th</sup> July 2017, therefore it is requested that a nodal officer be designated for the task and required information be kindly provided latest by 27<sup>th</sup> June, 2017. A workshop of nodal officers being convened on 28<sup>th</sup> June 2017 at Yojana Bhavan (11 : 00 AM).
