Circular

Sub: Rankings of Districts on KPIs

In accordance with directions of Hon’ble Chief Minister, a KPIs tracking mobile application has been developed to highlight scheme wise ranking of districts. It is expected that Collector and team of D.L.Os would leverage the application to identify ‘Gap Areas’ in relation to various schemes and strive to improve implementation in field.

Mobile app has been developed in such a manner that the values of various KPIs will directly pulled from the transaction based systems already in place. However for some of the KPIs, Collectors would have to ensure status entry through the ‘District KPIs’ module under CMIS Portal.

Ranking of the districts through the ‘App’ would be reviewed during upcoming Collectors’ Conference, therefore may ensure relevant data entry prior to 15th May, 2017. Subsequently, the status should be updated prior to 10th of every month, as rankings would be revised on 10th of every month.

For any support and clarifications, following officers can be contacted –
1. Sh. Y.K. Jain, S.A. (Jt. Dir.), DoIT&C, (9413387330), (ykjain@rajasthan.gov.in)
