iii. The BID SECURITY will be refunded to the unsuccessful bidder in due course whereas in the case of successful bidder it will be treated as part of PERFORMANCE SECURITY.

II. It may also be noted that the department does not undertake to assist in the procurement of raw material whether imported or controlled as well as restricted and as such the Bidder must offer their rates to supply the specific items from own quota of stock by visualizing the prospect of availability of raw material needed. Any of the above points if taken, as argument for non supply/late supply will not be entertained

Rates and necessary particulars should incorporate net rates only. Separate free goods or cash discounts should not be offered. Rate must be valid for the entire period of the bid and must be offered conforming to the following:

i. Rates must be offered net only against the specified packing of the items. The net rate must be inclusive of all charges by way of packing, forwarding, incidental or transit charges including transit insurance and any other levies or duties etc. chargeable on the product. If rates are quoted giving any free goods quantity or cash discounts the same shall not be considered.

ii. Only Raj. VAT/Central VAT and surcharge if applicable will be payable over net rate.

iii. Excise duty or surcharge prevailing on the date of submission of the rate must be included in the net rate and should also be shown separately in the Financial Bid (BOQ). In the event of any subsequent variation (increase or decrease) in these charges by the government (state or central) the same will be modified accordingly.

iv. Other statutory increase or decrease shall be agreed upon mutually between government and successful bidder/bidders and revised rates shall be applicable on order received on or subsequent to the date of such increase / decrease in government duty.

Signature of Bidder
12. RATES

v. The rates should be confined as far as possible to the packing units mentioned in the catalogue and
different rate for different packing should be avoided. Further only total price should be offered against
specified item. In no case the rate should be split up showing the cost of any of the component parts of
the specified item. If split price are found, the item may be treated as rejected.

vi. The rates must be written both in words and figures.

13. COMPARISON OF RATES OF FIRMS OUTSIDE AND THOSE IN RAJASTHAN:-

i. While tabulating the bids of those firms which are not entitled to price preference, the element of
