GUIDELINES FOR ADJUDGING RGM BEST FIELD VETERINARIAN AWARD**1. Preamble:**

Veterinary services play a significant role at the interface of human, animal and environmental health. This service all over the world is no more within the boundary of treatment alone but fits in to the complete spectrum of veterinary public health. Veterinarians play a crucial role in improvement of livestock in terms of health and productivity. The role of Veterinarians is becoming more and more challenging owing to diversification in livestock sector, diminishing land under fodder production, higher expectations of farmers besides the challenges posed by climate change threat. Competent human capital with appropriate knowledge, skill and attitude needs to be identified. Recognizing the performance of a Veterinarian inculcates a feeling of competence and to outperform others. The services rendered by the best performing Veterinarians at field level have to be renowned and encouraged for realizing the government's endeavoring goal of doubling of Farmers' income.

2. Objective:

In order to identify and recognize the best Veterinarians involved in organizing Animal husbandry practices on scientific lines and overall development of the Livestock sector, RGM Best Field Veterinarian awards are instituted.

Date upto which Registration is valid

Address for Correspondence:
Office/Work Place address

Telephone – Landline -
Mobile –

E-mail -

Encl:

1. A copy of the Applicant's resume or curriculum vitae (not to exceed 2 double-sided typed pages).
2. Attested copy of Date of Birth and Educational Certificates.

Place:

Date

Signature of the Applicant

Name in Block letters

Part B

1. Academic Details

Sl No.	Degree	Year of passing	University/ Institute	Grade/ percentage obtained	Subject	Award, if any
1.	B.V.Sc & A.H.					
2.	M.V.Sc.					
3.	Ph.D.					
4.	Other (Specify)					

2. Details of Any Membership of Professional body

S.No.	Name of Society/Organisation	International/National/State/Regional Level	Remarks

3. Details of Veterinary Practice

Sr. No.	Village/Block/ District Level	From	To	Nature of Job	No. of Cases Treated Daily	Employment & Experience Details

4. Awards / Recognition achieved, if any. (categorized awards)

Sr. no.	State whether Award is for		Level	Name of the award received with year	Awarding organization	Status of the award (Ranking)	Grounds on which award given
	as an individual	a member of team					
			International				
			National				
			State				
			Regional				

5. Contribution towards professional leadership in not more than 200 – 300 words

(Leaders should be responsible for setting a shared vision of promoting animal healthcare, modern animal husbandry practices that improves farmers' welfare, Leaders establish the conducive climate in his area of operation, Must ensure smooth administration of his charge including organization, operation, and resources necessary for animal healthcare services and extension activities, Must collaborate with the other stakeholder departments community members to respond to their interests and needs, Must acts with integrity, fairness, and in an ethical manner and Must understand, respond, and influence the political, social, legal, and cultural arenas)

1. International level
2. National level
3. State level
4. Regional level
5. District Level

6. Details of Innovative Skill

- i. Service to the Society
- ii. Clinical practice
- iii. Production/livestock Productivity
- iv. Direct and Indirect Impact of the above skill on the Socio-economic development of the Society. (To be described in not more than 200 – 300 words with facts and authenticated evidence)

7. Presentation skills

S.No	Attributes	Criteria	Details
1	Presentation skills	Communication skill	
		Subject knowledge	
		Level of confidence	

8. Extension activity

S.No	Attributes	Criteria	Details
1	Extension activities	Organising Seminars/ Conference/Symposia/Workshop/Training programmes/ Health/Fertility camps/Shows/Mela/Milk competitions/Calf rally.	
		Motivating farmers towards better animal health practices (Ration balancing, Fodder cultivation, Azolla cultivation, Silage making, Development of Indigenous breeds, Use of Chaff cutter, Bio gas plant, Insurance etc.)	
		Participation in TV/Radio talks	
		Technology/ patent developed	
		Extension material developed (Popular article/ Booklets/ Breeding calendars /Posters/Videos etc.)

GUIDELINES FOR ADJUDGING RGM BEST ARTIFICIAL INSEMINATION TECHNICIAN AWARD**1. Preamble:**

The objective of any bovine breeding programme is genetic upgradation of Cattle and Buffaloes and to achieve this , Artificial Insemination (A.I.) service needs to be robust. There are 300 million cattle and buffalo in the country as per 19th Livestock census. The average productivity is 4.85 kg per day per animal at present. Their average low productivity is a matter of concern.

AI technicians have a crucial role in transforming the bovine population from the state of low productivity to optimal productivity. Hence there is a need to identify the best AI technician striving hard towards 100% AI coverage so as to achieve the country's flagship programme objective of doubling of farmers income.

2. Objective:

In order to motivate AI Technicians to take up 100% AI coverage, RGM Best A.I. Technician awards are instituted under Rashtriya Gokul Mission(RGM).

3. Eligibility:

AI technicians of the State/ UT - DAH/LDB's LDA's/SIA's/Milk Federations /NGO's and other private organizations having undergone AI training for a minimum of 90 days shall be eligible to apply for the award.

4. Nomination process for RGM Best A.I Technician Award:**4.1 State Nomination:**

The State Government shall for the purpose of identifying RGM Best AI technician has to invite applications as per the prescribed format given at Annexure-I.

4.2 Procedure of Nomination:

Nomination for RGM Best A.I. Technician awards in the prescribed format shall be sent through concerned State Government Veterinary Officer (VO) of the jurisdiction. Following initial verification the Veterinary Officer will submit the valid nomination to the District Veterinary Officer (DVO) for verification and counter signature. In turn the DVO will submit the verified application to the Member Secretary of the State Level Nomination Committee.
